10-24-2 APPLICATION FOR TOW LIST:

Application forms may be obtained from the Police Department. The tow license application period shall be from October 1st to October 31st of each odd numbered year, with the licenses issued for a two-year period from January 1 to December 31. Each applicant must have a completed and correct application, along with all supporting and required documents, returned to the Police Department by 3:00 p.m. October 31, or the next business day where October 31 falls on a weekend or holiday. No additional applications or application documents shall be accepted after the close of the application period. Applicants submitting incomplete applications or applications submitted without all supporting or required documents shall be considered a nonqualified applicant by the Chief of Police. The Chief of Police shall issue police towing licenses to those applicants that meet the qualifications of said licenses as set forth in this Article. The police towing licenses shall be for a period of two (2) years. There will be a maximum of five (5) police tow licenses issued for the tow list.

This section does not prohibit the Police Department from adding additional tow licenses at any time should the need arise. In that event, the newly approved tow operator would have to reapply for inclusion on the next tow list during the next subsequent odd numbered year pursuant to this section.

10-24-3 INVESTIGATION AND APPROVAL:

After receiving a completed application from a person desiring to provide towing services, the Police Department will conduct an investigation to determine the truth and accuracy of the information contained in the application. Towing equipment may be subject to inspection by the Police Department initially prior to application approval as well as any other time as deemed necessary. Upon completion of the investigation, the Tow Operator will either be placed on the tow list or notified in writing that the application has not been approved.

10-24-4 INSURANCE:

The Tow Operator must keep on file, with the Police Department, a current Certificate of Insurance with liability coverage in at least the minimum amount required by 625 ILCS 5/12-606 and 625 ILCS 5/4-203, naming the Village of Bedford Park, its officials, agents, and employees as additional insured. Each tow operator is responsible for keeping their insurance up to date and supplying a copy of that insurance to the Village prior to its expiration. Failure to meet this requirement will result in immediate suspension or removal of the Tow Operator from the tow list.

In no event will the Village be responsible for any storage costs for any vehicle that it has requested to be towed.

All Tow Operators on the tow list must maintain complete records and a system of releasing vehicles that assures vehicles are released only to the proper owner, or authorized person. All records involving towing from the tow list will be open to the Police Department for inspection during normal business hours or at such time that there is an existing dispute concerning the amount or validity of any towing or storage charges.
